

His Hop Nation Radio Network

Hello Jay Williams and Sam Stewart has partnered up to give Radio stations who are looking to expand or become licensed and or be apart of a phone app a chance to join our network and build with us. Here's the packages

A) *We build your station for you

*We put your station on our website so your station will become a licensed station with BMI, ASCAP & SESAC from jump.

*We also will add your station, logo player to our phone App (His Hop Radio)

*So your listeners can find you and listen to you quick and easy. (All for \$70.00)

B)* If you already a Radio station. We can add your listening link and logo to our website and phone app. So then you will be covered uncertainty our license with BMI, ASCAP, SESAC (ALL for \$40.00)

C)* If you already have your station and website but want to just be added to our phone app. (All for \$20.00)

**We also have Venue's we rent out for different events. So far we are located in Indiana, Wichita, and Las Vegas and more venues coming.

Our starting 6 stations are located in Atlanta Ga,3 stations) Las Vegas, Cali, Alabama

**Our goal and mission to build a network where we all can build each other. Not to just have stations under us but LICENSED Stations. The only request is

*****IF ANYONE WHO IS APART OF THIS NETWORK HAS AN EVENT AND HAS A COMMERCIAL. THAT WE ALL PUSH AND PROMOTE THEIR PROMO. Because we are all "One Net Work In Several Locations"

Thank you for trusting and believing in the Vision.
